Espaços exteriores - Serralves

A photograph of an ornate black metal gate leading into a park. The gate is open, revealing a dirt path leading into a wooded area with trees displaying vibrant autumn foliage in shades of red, orange, and yellow. In the center of the path, there is a large, abstract sculpture consisting of a red, cup-like base and a tall, yellow, cylindrical top. The sky is overcast.

A photograph of a lush garden scene. In the center, a stone structure with three arched openings sits on a raised platform. A path leads up to it from the left. The entire scene is reflected in a calm pond in the foreground. The background is filled with dense green trees and foliage. Bare branches frame the top of the image.
